

## **Economical Label Dispenser Model D40**

The new “low cost” dispenser will assure you the maximum flexibility and the best efficiency/price ratio making it easy for you to apply labels in your semi-automatic manual labeling operations.

Two buttons will allow you to choose between a manual detachment of the label, that means to push the button when you want the label to be detached, or an automatic detachment, that means to take the labels automatically in succession.

Through a knob you can set the label’s length to detach from 0.19” up to 3.14”.

The dispenser has the following mechanical and electrical features:

- Max. Label Width 5.90”
- Max. Roll Diameter 11.81”
- Core Holder from 1.25” and up
- Top to write on the label before detachment
- Power Supply 115/18 Vac
- Protection Fuse
